

## Robert J. DeKoch

### President/Chief Operating Officer

Bob DeKoch is president and chief operating officer of The Boldt Company.

DeKoch joined The Boldt Company in 1998, after 25 years in other industries such as pulp and paper, beverage, and chemical. DeKoch oversees the businesses and operations of The Boldt Company, which consists of three divisions: Oscar J. Boldt Construction, Boldt Consulting Services, and Boldt Technical Services – all focused on assisting customers through the complex array of processes to effectively deploy capital for facility investments. The Boldt Company has thirteen offices throughout the country.

DeKoch is a graduate of Lawrence University with a BA in Chemistry. He also holds an MBA in Finance and General Management from the University of Wisconsin-Oshkosh.

DeKoch is a member of the Paper Industry Management Association (PIMA), the Technical Association for the Pulp & Paper Industry (TAPPI). He is also co-author of the book *Embracing Uncertainty, The Essence of Leadership*, DeKoch & Clampitt, M.E. Sharpe, 2001, as well as author of numerous technical and management articles.
